WARP PROJECT

WASTE AND RECYCLING PRACTICES FOR DUAL
TRANSITION IN VOCATIONAL EDUCATION

3rd Transnational Project Meeting – Athens, Greece

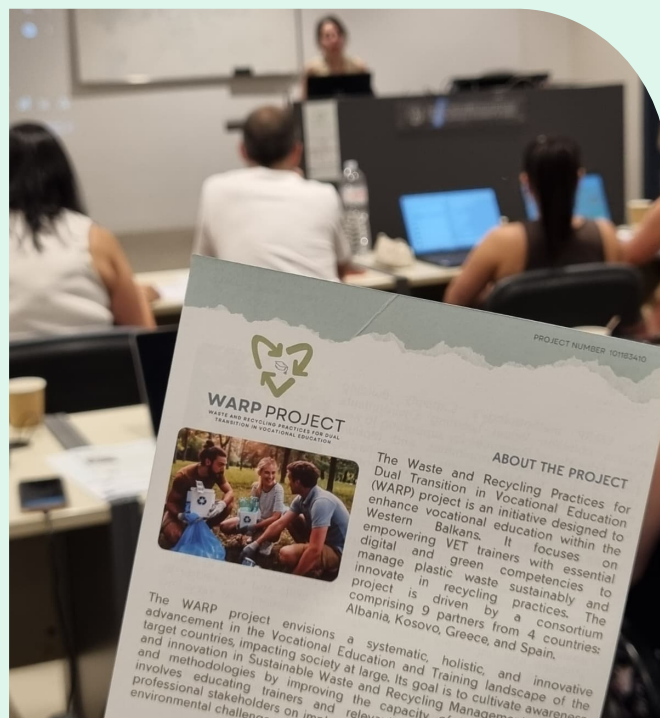

The WARP consortium met in Athens, Greece, on 8–9 June 2026 for the third transnational project meeting. Partners reviewed the progress achieved across all work packages, discussed the next implementation steps and coordinated the upcoming project activities.

Digital Learning Platform

The consortium completed the development of the WARP online learning platform, which includes:

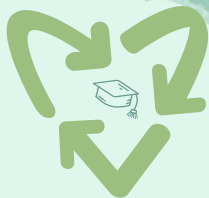

- 16 online learning modules
- Open educational resources
- Self-paced learning materials
- Resources for VET teachers and trainers

The platform will support vocational education institutions in promoting sustainable waste management and circular economy practices.

Highlights from Athens

During the meeting, partners also participated in technical visits that complemented the project's objectives. The programme included visits to the Recycling Lab and the National Gallery of Athens, where participants explored innovative approaches to sustainability, creativity and environmental awareness. These experiences provided additional inspiration for integrating practical and interdisciplinary perspectives into vocational education.

Looking Ahead

The WARP consortium will continue with the next project activities, including:

- Launch and promotion of the online learning platform
- Twinning and Mentoring Programme implementation
- Pilot testing of the training modules
- Continued dissemination activities across partner countries
- Preparation for the upcoming WP3 workshops
